

# BRUMBIES RUGBY CORPORATE HOSPITALITY 2008

## A MESSAGE FROM THE CEO, ANDREW FAGAN

**Welcome to another fantastic season of Investec Super 14 rugby. 2008 is shaping as an exciting and promising year for the CA Brumbies as we unleash our new era of Investec Super 14 stars into the toughest provincial competition in the world.**

Our CA Brumbies game day hospitality continues to be the best corporate entertainment opportunity in Canberra. The excitement and quality of the rugby, the high standard of the amenities at Canberra Stadium and the genuine enthusiasm of our corporate supporters have combined to create the perfect atmosphere to do business. Take advantage of what promises to be another great year at Canberra Stadium in 2008.

Our 2008 Investec Super 14 season kicks off on Friday 15 February against the Crusaders in Christchurch, before the team returns to take on the Highlanders at 'Fortress', Canberra Stadium, in what will no doubt be an epic contest.

Our other six home games also promise to be an outstanding rugby spectacle with clashes against the Reds, Hurricanes, Cheetahs, Chiefs, Sharks and Lions.

This year we feature our new brand of CA Brumbies combined with our army of Rugby World Cup Wallabies. Stirling Mortlock, George Smith, Mark Chisholm, Guy Shepherdson, Adam Ashley-Cooper, Mark Gerrard, Stephen Hoiles and Julian Huxley have all returned to what will continue to be a star-studded CA Brumbies line-up. Joining them are our new recruits – Mitchell Chapman from the Queensland Reds, Josh Holmes from the NSW Waratahs, former local junior Huia Edmonds, Tyrone Smith, brother of CA Brumbies superstar George Smith, and Peter Betham and Matt Toomua, two of Australian rugby's brightest young talents.

The Mazda Australian Rugby Championship has also provided an ideal platform for a number of our players to again stamp their intentions prior to the beginning of the new season. Our young breed including Julian Salvi, Christian Lealiifano, Francis Fainifo, Anthony and Saia Faingaa and Patrick Phibbs, have all excelled in the new competition and will be pushing hard for places in our match day 22-man squad.

Our home game day hospitality continues to provide the best service and quality in the competition and ACT. Our Captain's Lounge in Canberra Stadium has been fully refurbished, and our open boxes and corporate suites provide unmatched vantage points to watch the on field action as well as fantastic food and beverage packages to give you an ultimate CA Brumbies hospitality experience. Bookings to experience our popular hospitality are filling up quickly, so act soon to ensure you secure your own part of Canberra Stadium and be entertained on and off the field.

We welcome feedback on our services so please feel free to contact our Brumbies Rugby Corporate Hospitality & Events Coordinator Kristie Fitzgerald with your specific needs or comments. We always welcome new clients interested in getting involved in our Corporate Hospitality as we strive to provide you with the best possible rugby experience.

I look forward to enjoying with you what promises to be an exceptional season of CA Brumbies Rugby at Canberra Stadium.

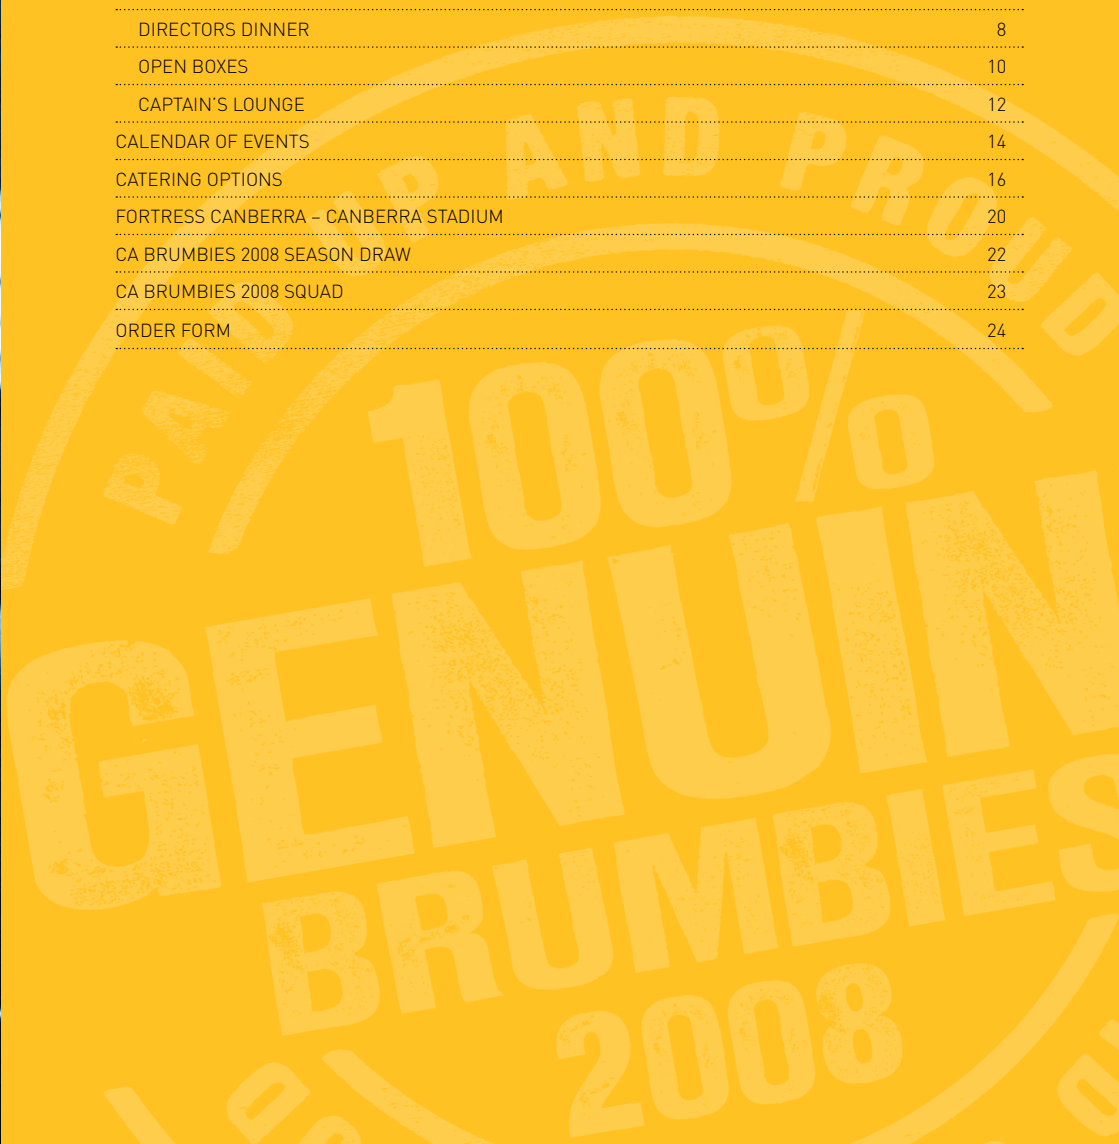

Andrew Fagan
